ACDelco

Leave less in landfills with ACDelco's eDesign Oil Filters.

Professional eDesign oil filters contain a revolutionary technology allowing for better filtration while being lighter and more easily recycled. Filter removal and installation are also simpler, thanks to more compact, maneuverable shells and internal gasket lubricant. eDesign oil filters are just another way ACDelco offers the innovation you want with the quality you expect.

GOOD FOR THE ENVIRONMENT, GOOD FOR THE BUSINESS

- Easy-to-recycle unit and virtually all components are recyclable
- Design eliminates adhesives and related volatile emissions
- Compact size reduces oil volume required to fill unit
- 20-25% smaller than a standard filter, yet more filtration media for greater dirt-holding capacity
- More filtering area in a smaller canister

FEATURES OF ALL ACDELCO PROFESSIONAL OIL FILTERS

- Provides long-life strength and peace of mind
- Outstanding filtering capabilities and dependable performance
- Designed for OE filter change intervals OR synthetic oil drain intervals - whichever is longer
- Coverage for 98% of vehicles on the road today (between eDesign and standard filters)
- Warranty equal to the recommended oil change interval based on owner's manual
